SCHOLARSHIP GUIDE
I think by far the most important bill in our whole code is that for the diffusion of knowledge among the people. No other sure foundation can be devised for the preservation of freedom, and happiness.

Thomas Jefferson
The University of Virginia Alumni Association administers more than 250 different scholarships ranging from modest stipends to full tuition, room and board. Many of these scholarships are available through an application process independent of the University’s financial aid process. In 2020-21, these scholarships provided more than $2.3 million in aid to more than 450 students across Grounds.

The following pages outline the details of the scholarships administered by the Alumni Association through the UVA Fund. Complete details, applications and deadlines are available at the website listed below each description.

Additional resources are included in this guide to assist you in finding non-Alumni Association scholarships. These scholarships are not administered by the UVA Alumni Association and all inquiries should be directed toward the entity awarding the scholarship.

Please note that this guide is not a comprehensive listing of every available scholarship opportunity at the Alumni Association or at the University of Virginia as scholarship availability is frequently changing.

At the Alumni Association, donors have the ability to tailor their scholarships to support the University and its students. Also, anyone can donate to the scholarships held by the Association regardless of who created it.

Creating a scholarship is a gratifying experience as the Director works closely with donors to craft how their awards will be managed and who they will support. As no two scholarships are alike, each process is tailored to meet the wishes of the donor. Whether it be an award that funds a current student or an award to help an entering student during their first year, each scholarship is important to the Association and the students it supports.

To learn more about creating your own scholarship, or how to support any of those held by the Alumni Association, please contact Molly Bass, Director of Scholarships, Endowments and Awards, and explore how to make a difference for the students at UVA.

If you are interested in financially supporting the Ridley Scholarship Family of Funds, please contact Ashley Cullop at amcullop@virginia.edu for more information.
Awards for First-Year Students

The selected Ridley Scholars demonstrate excellence in academics, leadership activities and community service. Typical winners come from the top 5% of their class, excel in a number of Advanced Placement or International Baccalaureate courses, and score in at least the 90th percentile on the SAT or ACT. In addition, these students are involved in their schools and communities, leading student organizations and immersing themselves in service projects.

Students who receive these awards (and maintain good grades) are eligible to receive up to eight semesters of support.

There is no application process for first-year scholarships. Candidacy is based on a student’s application to the University.
